

St. Paul's Vision & Mission Statements

Our Mission as a Chaplaincy

Come to Me, all of you who are weary and burdened, and I will give you rest.
(Matthew 11:28)

Mission: As chaplains, to be fully present for those in need.

Our Vision as a Chaplaincy

We envision our chaplaincy as a safe and compassionate dwelling, widely open to those we are all called to serve. We see our ministry as a garden of mercy where all the fruits of life, planted in the past, healthily bloom in this present life and joyfully long for the season to start again in the next.

“I believe the position of the Chaplain is most needed in our senior community. As seniors we need spiritual, emotional, and physical guidance. We have a lot of issues that a Chaplain can address, and give comfort too. We also need the church services that are provided.”

-Linda

“There is comfort in having a caring pastor - not only for appropriate ministry in times of trouble, sickness, hurt, or grief, but also for spiritual counsel as may be needed in everyday life.”

-Charles

St. Paul's Manor resident

“An interfaith chaplain can offer a listening presence and some comfort in times of need. They can lessen the sense of loneliness especially for those who have little or no family left. Ideally such a chaplain would offer this to anyone who wants it including atheists and agnostics.”

-Lone
